Portfolio Management Solutions

At Shaw and Partners, we offer a structured four-tiered approach to portfolio management services, helping clients effectively manage their investments.

ADVISORY SERVICE: WE WORK WITH YOU

Advisory Service is more than just portfolio structuring and management. It's a partnership between you and your Adviser to understand your requirements and determine an investment strategy that best conforms to your financial situation, investment goals and appetite for risk. Portfolios are tailored, monitored and reviewed on a regular basis and adjustments are recommended, if and when necessary.

The Advisory Service allows clients to be involved in every decision made regarding your portfolio with your Adviser.

PORTFOLIO SERVICE: WE MONITOR AND ADMINISTER

Portfolio Service provides a comprehensive overview of your portfolio and gives you immediate access to all the information you and your Adviser need to manage your investments effectively.

Portfolio Service allows you to outsource the day-to-day administration of your portfolio to a team of skilled professionals. We collect and record all the essential information about your investments and each quarter provide you with a detailed report including investment transactions, value and performance, income received and expenses paid.

With the Portfolio Service, Shaw and Partners delivers the professional support you need so you can enjoy building and managing a successful investment portfolio.

MANAGED PORTFOLIO SERVICE: WE ADVISE AND IMPLEMENT

Managed Portfolio Service is our premium service and available only to Wholesale Clients. Our Investment Advisers handle the management and administration of your portfolio, giving you complete peace of mind.

Shaw and Partners works with you to create customised portfolios across all traditional and alternative asset classes. We undertake transactions on your behalf and act promptly to take advantage of investment opportunities. You will receive regular performance reporting and 24/7 online access to your portfolio so you can track your investment position at all times.

SHAW MANAGED ACCOUNTS: WE MANAGE AND ADMINISTER

Shaw Managed Accounts (SMA) are positioned between Individually Managed Portfolios and Managed Funds. They offer increased levels of control and transparency, agility and tax optimisation. With Shaw Managed Accounts, each investor has a separate account to which their investments are allocated. Your account can be constructed by using a range of available investment strategies known as Model Portfolios, which you can select with your Shaw and Partners Adviser.

Model Portfolios are managed in a disciplined and consistent manner, overseen by a dedicated team of investment professionals with many years of experience.

The only type of solution worth having is a bespoke one.
